## UPDATE ON HAITI EARTHQUAKE

The Episcopal Church, along with most of Haiti, has suffered severely from the earthquake. The once beautiful Holy Trinity Cathedral is completely destroyed, along with surrounding diocesan structures, which include Holy Trinity School and the home of Sisters of St. Margaret. Bishop Duracin's house was destroyed. He is safe but Mrs. Duracin is being treated for a foot injury at a hospital in Cange. We heard from Father Kesner Gracia that he and his family are safe. They were in Port au Prince at the time of the earthquake. He said that the buildings in Bondeau are "OK". The school and new house are standing. He is very distraught that he cannot get back to Bondeau and his parishes west of Port au Prince. He is sleeping outside on the ground in a "camp". We will keep you updated on our web site as we hear from Father Kesner.

Many St. Gregory's parishioners have given very generously to our Haiti Relief Fund. Thank you for your care and love. We will hold the funds until the situation in Bondeau can be assessed. With many people moving from the city to the country, enrollment at our school is likely to increase, along with many more people in need of food and water. Your support to St. Gregory's Haiti Relief or our diocesan outreach is needed now! Visit web site <http://www.stgregorysepiscopal.org>
