

A MESSAGE FROM TIM

This past Sunday evening was a milestone in the life of St. Gregory's as we celebrated the completion of our renovations and rededicated our building and ourselves to the mission of Christ's love here in Boca Raton and throughout the world. I would like to thank the Choir of St. Gregory's and all our Guest Musicians for their outstanding performance at our service of rededication. The choir did a beautiful job and they worked extra hard as there was a lot of music to learn and rehearse. Each member gives themselves so completely to the work at hand in providing a meaningful and worshipful experience musically and I can't thank them enough for all they do. I wish also to thank my dear friend and colleague, Robyn Marie Lamp, who sang so beautifully with such emotion and conviction. Robyn rushed to be with us as she also sang a two-and-a-half-hour concert in Delray Beach that afternoon which didn't finish until 6:15 PM! Our guest musicians and singers added so much, as they always do, with their talents and spirit of collegiality and I want to thank Aziz Sapaev, cellist, for his beautiful playing on Robyn's first solo, "The Lone Wild Bird."

I also wish to thank Louis Birro for his expert livestream capture of the evening and of all our services each week. Our livestreamed services are unmatched in their beauty and quality and I'm so very proud of what we release to the world each week.

While I was away in April, Sam Cucci took on extra duties helping with the sound, mics, lights, and various other details, especially with the Master Chorale concert on April 7 and I thank him for his unwavering dedication and commitment to always being available when I need him!

And thank you to all those who gave monetarily to help support the evening of rededication. If you would like to make a gift, it's never too late, especially if you received a blessing from the service and beautiful reception which followed. You can still play an important part in helping to underwrite this historic service in the life of our church.

This Sunday, the Choristers will be singing a beautiful anthem by John Rutter entitled "Thy Perfect Love" with a text dating from the 15th century. I'm looking forward to having the children with us this Sunday!

Blessings to all,
Tim
