

A MESSAGE FROM TIM

I want to offer a big BRAVO to the Master Chorale of South Florida and their Artistic Director, Brett Karlin, for a marvelous concert this past Sunday! With approximately 120 singers and a 20 piece orchestra, they filled the house with beautiful music and sounded fabulous in our newly renovated sanctuary! Next up will be Seraphic Fire as they present their second concert in our sanctuary for 2024 on April 28!

I wish to thank Susan Dodd who played so beautifully this past Sunday. I'm still out of the country and don't return until Sunday evening. In my stead at the 10 am service this Sunday will be Susan Dodd as guest organist, and Brett Karlin as guest choral director. The choir will be singing a beautiful anthem by Healy Willan entitled *O Sacred Feast*. I thank the choir, Susan, and Brett for doing such a wonderful job!

As we prepare for our rededication service, I hope you'll plan on attending what promises to be a historic and monumental service next Sunday, April 21 at 6:30 pm. This will be a time of rededicating not only our buildings, but also ourselves to the glory of God and to the mission of being a beacon of light here in Boca and beyond, now and in the years to come.

With Easter Blessings,
Tim
