

#### **A MESSAGE FROM TIM**

It's almost here! Our Open Hearts, Open Doors Celebration will be this Sunday at 6:30!! Can you believe it! I'm overjoyed with excitement as we draw near to the time of rededicating our beautiful sanctuary and facilities. The music will include guest musicians including the incomparable Robyn Marie Lamp who will sing two solos along with our incredible Choir of St. Gregory's. We will begin the service with selections played on our newly restored Steinway Grand accompanied by a string quartet. The choir will sing as a choral introtit the majestic and stirring "I was Glad when they said unto me" by Hubert H. Parry and we will process on the beautiful hymn "The Church's One Foundation." The service will take the shape of a Choral Evensong, appropriate for an evening service, and the choir will sing a new setting of the Preces and Responses which I've composed for the occasion. These include The Lord's Prayer and Suffrages.

Additional anthems will include "O How Amiable" by R. V. Williams and "Behold, the Tabernacle of God" by William Harris.

Afterwards, there will be food, wine, and champagne! So let's fill the sanctuary for this grand and glorious occasion as we rededicate our space and ourselves to the mission of Christ here in Boca Raton!

Blessings to all,

Tim
